RECYCLING PROGRAM**

PLASTIC BAG RECYCLING

- Carroll County Solid Waste is excited to announce that we will begin accepting plastic bags for recycling!
- The recycling center recently welcomed it's newest baler that will be used to help process these materials.
- Once processed, the bales of plastic bags will be shipped to Trex® where they will be used to make sustainable outdoor products.
- This new initiative aims to promote sustainable practices and reduce plastic waste in our community.
